Company Profile:

We are a leading supplier of **insulated panels**, **fireproof panels**, and **soundproof panels** for partition walls, ceilings, and floors in residential houses and industrial factories.

Our product range includes:

- **PU Roof Panels** (insulated roofing panels) for warehouse rooftops
- **PU / EPS Clean Room Panels**
- **Cold Room Panels**

In addition, we specialize in manufacturing **insulated doors** and **clean room doors**.

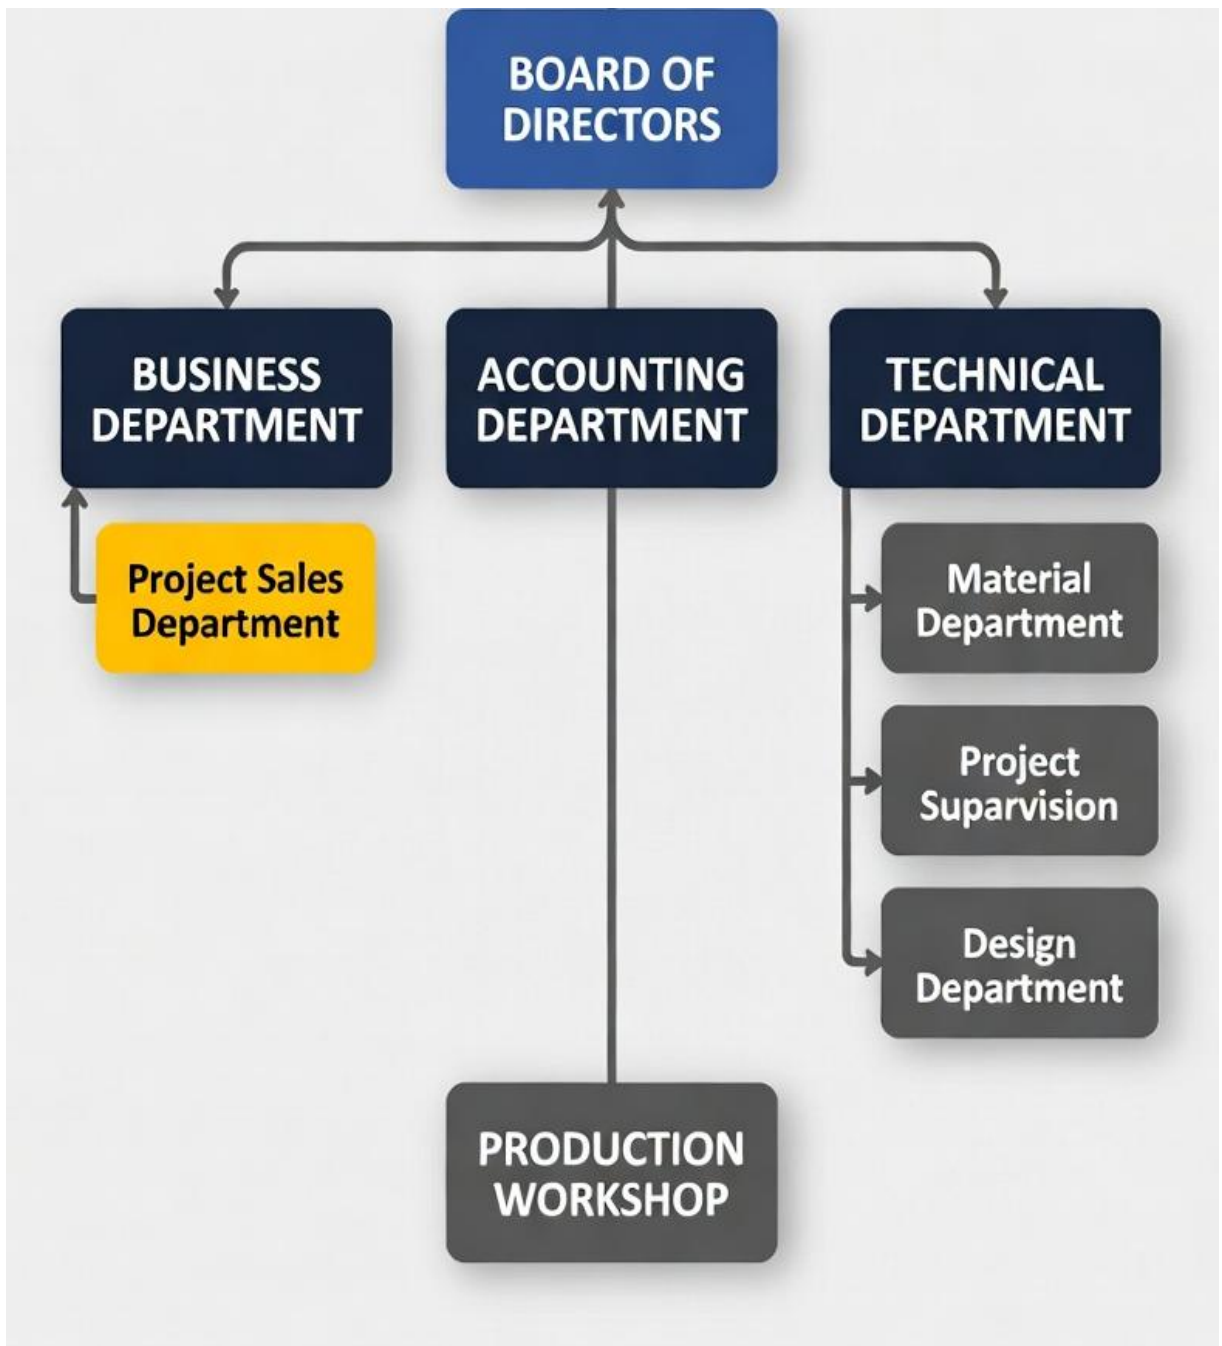

With a team of **more than 10 experienced engineers** and **over 50 highly skilled workers**, we are capable of competing with major domestic enterprises and are striving to become one of the **leading manufacturers in Vietnam** in the field of insulated door systems and clean room systems.
